Re: DHR Project File No. 2022-6666
Proposed Comprehensive Plan Amendment 22-06 ESR: Sarasota County; CPA 2022-B 2050 Lakewood
Ranch Southeast Village Transition Zone (VTZ)

Mr. Osterhoudt:

According to this agency's responsibilities under Section 163.3184(3)(b) *Florida Statutes*, we reviewed the above document to determine if proposed plan elements may adversely impact significant historic resources.

A review of the information submitted with the amendment and of our records indicates that the above referenced amendment area has not had a cultural resource assessment survey conducted to determine if unrecorded historic resources are present. We recommend that any future plans should be sensitive to locating, assessing, and avoiding potential adverse impacts to historical resources.

For any questions concerning our comments, please contact Jennifer Tobias, Historic Sites Specialist, at Jennifer.Tobias@dos.myflorida.com.

Sincerely,

Kelly L Chase
